Description of new or replacement safety related equipment:

Cost of equipment or attach invoice: _____

Eligibility: The 2007 Grant Program will begin on June 15, 2007 and will be effective for policies issued between June 15, 2007 and June 14, 2008. To be eligible, districts must purchase their workers compensation coverage through the WASB Insurance Plan and Wausau Insurance.

Maximum grant amount a district is eligible for is shown below based on your written workers compensation premium at policy inception.

<u>Workers Comp Premium</u>	<u>Maximum Grant Amount</u>
Less than \$30,000	\$150
\$30,000 to \$60,000	225
Greater than \$60,000	300

Notes:

- This is a dollar for dollar matching grant, up to the maximum. For example, if cost of equipment is \$200, you will receive a \$100 grant.
- The maximum grant per district applies per your policy year even if you send multiple applications.

Equipment purchase date must be after 1-1-07 and before end of your applicable policy year (7-1-08 for districts with a July 1 policy date).
