Contact information for person submitting proposal:

Name: _____

Title: _____

Address: _____

Phone: _____

Fax: _____

Email: _____

Description of new or replacement safety-related equipment:

Cost of equipment or attach invoice: _____

Eligibility: The 2008 Grant Program will begin on June 15, 2008, and will be effective for policies issued between June 15, 2008 and June 14, 2009. To be eligible, districts must purchase their workers' compensation coverage through the WASB Insurance Plan and Wausau Insurance.

The maximum grant amount for which a district is eligible is shown below based on written workers' compensation premium (less the terrorism charges) at policy inception.

<u>Workers' Comp Premium</u>	<u>Maximum Grant Amount</u>
Less than \$30,000	\$250
\$30,000 to \$60,000	375
Greater than \$60,000	500

Notes:

- This is a dollar-for-dollar matching grant, up to the maximum
- The maximum grant per district applies per your policy year, even if you send multiple applications.
- Equipment purchase date must be after 1-1-08 and before the end of your applicable policy year (7-1-09 for districts with a July 1 policy date).
- See other side for a list of examples of safety-related equipment.

Send application to: WASB Insurance Plan
