

Superintendent/High School Principal
Kohler Public Schools
www.kohlerpublicschools.org

Start Date: July 1, 2010

Located in Sheboygan County, in southeastern Wisconsin, Kohler Public Schools serves 612 4K-12 students, including 160 in the high school. The District provides a top-notch education in a small school setting. Students also have an opportunity to participate in 15 athletic offerings and 22 club activities. From its heritage of being the first school in Wisconsin to offer a 4 year old kindergarten program in 1939, Kohler Schools continue to provide a great education for its students and families. With small class sizes, full-day kindergarten, a middle school concept and a college credit program for juniors and seniors, it is no wonder Kohler School District and its staff receives state and national recognition. The Board seeks a strong, family-oriented leader with the ability to lead the high school and the district.

Candidates must hold or be eligible for a Wisconsin Superintendent's license. Ph.D./Ed.D. preferred.

The compensation package will be regionally competitive and commensurate with experience. Screening is ongoing with a slate presented in early April. To apply or for more information please visit www.hyasupersearches.com
