## UPCOMING EVENTS

### WASB Fall Regional Meetings

Join us as we recognize school board members, hold elections for the WASB board of directors, discuss activities of the WASB and more at the Fall Regional Meetings.

This year, an in-depth legislative update will also be provided. WASB Government Relations staff will provide an update to members on the most pertinent proposals and lead a discussion on how school leaders can be advocates for their district.

In addition, the Regional Meetings take time to recognize school

board members who have reached a new level in the WASB Board Development Program. School board members earn points by attending WASB and National School Boards Association (NSBA) programs and activities.

WASB Executive Director John Ashley will wrap up the meeting with the Executive Director's Report, which will inform members about the future activities and direction of the WASB. □

### Recognize Your Business Partners

**Nominate a business for the WASB Business Honor Roll.** The WASB invites member school boards to submit the names of up to five local businesses, including newspapers or other media, that have been helpful to your school district over the past year.

Tell us who they are and what they have done for your schools, and we will help you promote your business partnerships. All nominated businesses will be posted on the WASB website. Districts will be provided a sample press release and a personalized certificate to present to the business(es). Select nominees and the stories of their successful partnerships will be featured in the *Wisconsin School News*.

To nominate your partner businesses, use the online nomination form at [wasb.org](http://wasb.org). The nomination period will close Friday, Sept. 22.
